★ The New Ranma Project ★

This book has some of my favorite storylines in all of Ranma in it. Nabiki's Revenge, along with the Kinnosuke series from book 29, have got to be the greatest Nabiki chapters ever done. The second half with the Konatsu series I liked from the first time I read them, only wish Konatsu had been introduced earlier in the series so we could have seen more of that character.

And everyone should pay special attention to the chapter at the end. It's just a one-shot, but it's actually a really sweet romantic chapter. And the translation is a masterwork from Gary Kleppe. This became one of my favorite chapters cause of what Gary did with it. I'd stack that chapter page for page against anything Viz ever did.

The first half of this book was done quite early on. The mirror Ranma story was the first one picked up by little Jessica Platon. And Nabiki's vengeance was the first one done by TomCat after his practice chapter.

The second half, on the other hand, laid in limbo for almost the entire life of the project. Konatsu had been begun by MojoBaka, who was actually our second ever volunteer, right after Dark Alpha. You saw him pop up for three chapters back in book 21. But after getting one chapter into Konatsu, he sadly had to drop out. So the rest of the story hung in limbo until RyogaSama picked it up. A very late arrival to our project, this story was the only contribution he had time to complete before we finished.

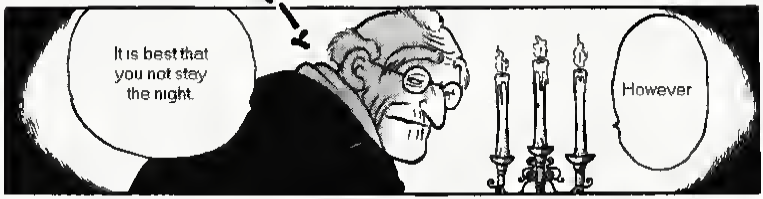
It was a dark and stormy night and in the forest sits a old house
People call it *Mirror Mansion*
It's a house!
The road showed you the wrong way?
That is bad

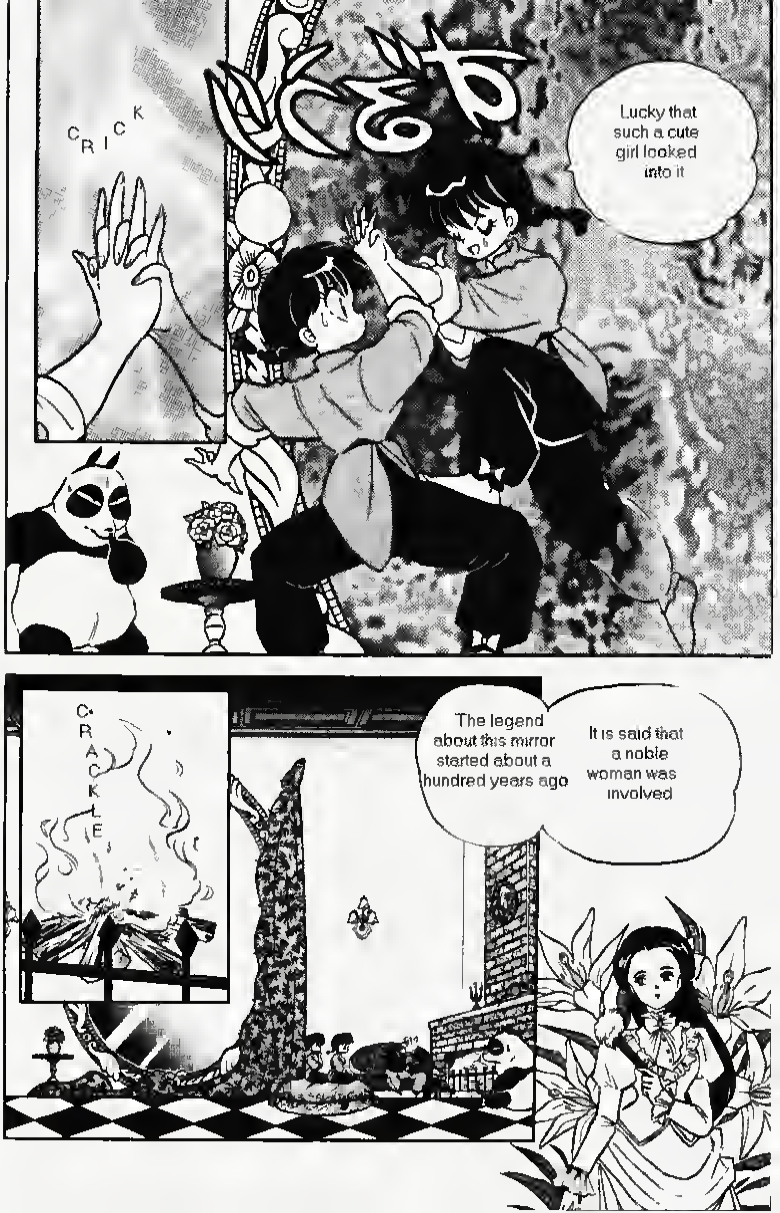


It is best that you not stay the night.
However

Don't do something like
Clumsily slipping on that banana peel

And crashing into the curtain
Then look into what's behind it

Ahhhhhhhhhhh
hhhhhhhhhhh
hhhhhhhhhhh
Ooooh
Huh?
Wha
What have you done!
Nice going!
What! It's only a mirror!
Whats wrong with this!?



CRICK
Lucky that such a cute girl looked into it
CRACKLE
The legend about this mirror started about a hundred years ago
It is said that a noble woman was involved

Even though this young woman was very pretty
Nobody wanted to see her,so she just looked at her reflection all day
S

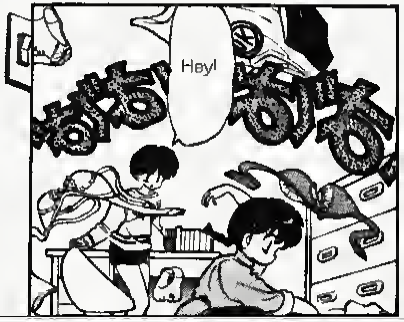
g
h
Then a few year's later...
The girl suddenly became ill
I wish I had a boyfriend
Sigh
And she passed away
Since then her spirit remained in this mirror
Borrowing the reflected persons image
And causing trouble
So that means

Hee hee hee!
I'm gonna find some hunks!
What!?

So...
The curtain will be finished in one week.

Good afternoon!
AKANE

Ranma
If you just came back from your trip...



Hey!

No sexy clothes
And the bras are too small
Hey! What are you doing!?
That's my line!
STOP IT NOW!!
Hmmm?
So that's what happened
A mirror?
hmmph
It's almost like they're twins
Do you understand? You can't go around pretending to be me.

Don't go!
I love you!
Ah ha!

You said you were cute!
Do you understand? Stop chasing all the guys!
That's it! That's it!
It is isn't it?

She'll stay a girl
It feels strange looking at myself
What a weird feeling
Pervert!
SLAP!!
